

KCOM ADSL Business Packages

Only supplied where FTTP is not available

1. Service description

KCOM ADSL Office packages enable customers to combine their fixed voice and broadband products on to one consolidated monthly bill. Six options are available to the customer depending on their business requirements. A connection charge applies to customers that require a new analogue line. For connection charges please refer to: [Analogue lines](#)

Based on ADSL technology, KCOM Broadband provides internet access with connection speeds that vary, depending on your line length from the telephone exchange.

Customer Requirements

- A new or existing KCOM telephone line is required to deliver the ADSL
- Ethernet LAN running TCP/IP (100 BASE T minimum). For LAN connections customer to supply PC Ethernet cards.
- An internet ready device
- All customers should consider the security of their PC. KCOM recommends the use of current anti-virus software and firewall protection. Email anti-virus protection is provided with email POP accounts.

2. Engineer visit

We will provide you with an AM or PM appointment. Missed appointment charges apply for any missed installation dates. See charges [here](#).
