

8x8 Work in Partnership with KCOM

Solution Overview

8x8 Work in Partnership with KCOM brings robust and secure unified communication and collaboration experiences to every employee, with the convenience of doing more from anywhere on any device. With a cloud-based app that brings telephony, video meetings and team messaging capabilities to your chosen device.

Utilise the app to create a networked organisation without silos and gain data insights across multi-modal communications to make routine decisions seamless, build relationships and inspire customer trust.

8x8 Work in Partnership with KCOM also enable you to manage and scale the platform from a single administration interface that also simplifies user provisioning and management.
