

Broadband Home Starter – Not Available for New Supply

Introduction and Summary

Home Starter is a bundle to help customers get connected to broadband, with a choice of calls options, in one convenient bundle, on a single bill. This document shows details of the Home Starter broadband bundle.

Service Description

Based on ADSL technology, KCOM Broadband provides internet access with connection speeds that vary, depending on your line length from the telephone exchange.

Pricing

Prices below are inclusive of VAT. Discounts are available for payment by Direct Debit and Online Billing, both of which provide convenience and control to our customers.

Contract Term

The standard contract length is 12 months for KCOM Broadband bundles. Flexible contract options are available for an additional charge, and Early Termination Fees apply. Please see Service Options and Additional Charges sections of this document.

Home Starter Extra

Home Starter Extra comprises a Home Starter bundle plus, for a small additional monthly fee for 18 months, a number of extras to make getting online easier for those who want some additional support. The additional charge is removed after 18 months, so that customers are only paying for the Home Starter bundle.

These extras include:

- In-home set up of your broadband service and router
- A refurbished laptop or PC
- One hour's home tuition – including the set up of your new laptop or PC
- KCOM Phone Care – to provide discounted calls, VIP fault fix and a free engineer visit should you ever need it.

The additional monthly cost, applicable for 18 months only, is:

- £10 inc VAT for the laptop option
- £7.50 inc VAT for the PC option
