Terms and Conditions of the offer:

Standard conditions for service apply and the offer is subject to a new 1 or 2 year minimum period. Should a customer upgrade their package during the discount period, the discount will end.

If an agreement exists for analogue, ISDN2 or ISDN30 services then the customer can only sign up to this offer providing the new minimum period for their contract exceeds the remaining minimum period on their existing agreement.

If a new installation is required to provide services then standard charges will apply – please see the relevant page of the price manual for details: [Analogue lines](#), [ISDN2](#), [ISDN30](#).

All other call charges not listed in this offer are as per the standard national package – please refer to the [business call charges](#) pages in the price manual for further details.
