

KCOM Consumer Call Bolt-ons

Introduction

Consumer customers can opt for a Broadband and Phone service or Phone-Only service from KCOM and then choose to add a range of Call bolt-ons to suit their needs.

Contract term

Minimum bolt-on subscription is one month and they can be cancelled at any time, giving a months' notice. However, our broadband and phone service has a 12 month minimum term contract, our Phone only service also has a 12 month minimum term contract, and one months' cancellation notice is also required on these. If a Broadband and Phone service or Phone-only service is cancelled, the subscription to any selected Call bolt-ons will also end.
