

Connect Fibre Business Complete

The Services enable You to offer fibre broadband services direct to Your business Customers using Fibre to the Premises (FTTP), a fibre installation directly to the Customer's premises, and give You control over sales, billing and first line support. These package services incorporate KCOM Network access with connectivity.

A Customer can make calls using the Services and these will either be:

- charged on a pence-per-minute basis; or
- where You have ordered Calls Bolt-Ons on behalf of the applicable Customer, charged at the rate for the applicable Calls Bolt-Ons rate.
