The line speeds We quote for Our Services are estimates only. The actual line speed the Service gives the Customer will vary depending on a number of factors, as described in the Service Standard. In respect of ADSL Services, once a Customer's Service has become established (usually within 10 working days after it has been installed), if the Customer is always getting speeds that are lower than the minimum line speed(s) We have quoted for the Customer's Service You should contact the KCOM Network Support Team. We will try to resolve any problems affecting the Customer's Service and improve the line speed(s) the Customer is receiving. You must ensure that the Customer follows any reasonable advice We give to improve the Service.

If We are not able to improve a Customer's line speed so that it achieves the minimum line speed(s) We have quoted for the applicable Connect Broadband ADSL Residential Service, You can cancel that Customer's order for the Connect Broadband ADSL Residential Services. You will not have to pay any Charges for early termination in respect of that Customer's order for Connect Broadband ADSL Residential Services. However, You will have to pay Our Charges for the Connect Broadband ADSL Residential Services We have supplied to that Customer up to the date that You terminate the order.
