

## Christmas data cap suspension in the Hull Area- 10/12/2020

After what has been a challenging year, we want to make sure your customers are free to enjoy our network without the worry of data caps.

So, we are very pleased to announce that over Christmas we will be removing all data caps on our Connect Broadband Fibre and ADSL products, for both business and residential. After a hard year we hope this makes a small difference.

Usage limits suspended from 00:01 11<sup>th</sup> December 2020 to 23:59 31<sup>st</sup> January 2021 inclusive.

We are looking forward to working with you all in the new year and we are looking forward to share our new products and our network expansion plans.

Regards,

The KCOM Wholesale Team
